THE EMBASSY OF THE ISLAMIC REPUBLIC
OF IRAN
WASHINGTON, D.C.

The Embassy of the Islamic Republic of Iran presents its compliments to the Department of State and has the honor to advise that it has received a report of the possibility of an imminent transfer of ownership of an office building in New York City, at 650 5TH AVENUE, NEW YORK, NEW YORK 10019, heretofore held by the Pahlavi Foundation as owners, to other interests.

In the event that the Department is approached with respect to any of the details of such a transaction, it would be appreciated if the Department of State would advise any potential purchaser of the fact that the ownership of the Pahlavi Foundation and of its several and individual assets, is under investigation by the Government of Iran, and would discourage any transfers until the investigation has been completed, and this Embassy has advised the Department of the results.

It would also be appreciated if the Department will inform this Embassy of the names and addresses of any potential purchasers which come to the Department's attention, so that the Embassy may convey the same message to them.

The Embassy of the Islamic Republic of Iran further avails itself of this opportunity to renew to the Department of State the assurances of its highest consideration.

Washington, District of Columbia, 16 April 1979.
